IMPORTANT CHANGE IS MADE IN LOCAL STREET CAR SERVICE

Through Pittsburgh Car Service Every Hour After Monday

THROUGH SERVICE FOR DONORA

Important changes have been announced by the Pittsburg Railways Company in the running of its cars between the upper valley and Pittsburg, to become effective on Monday November first.

Under this new schedule Charleroi will only have hourly through service with Pittsburg, while a local service will connect at Black Diamond with a Pittsburg car which starts from Donora. The half hour service will be taken care of by local cars between Roscoe and the sub-station at Riverview, thus filling in the gap made by the withdrawal of the through car.

The new schedule as announced this morning by Superintendent Yost of the local division is as follows:

Beginning early Monday morning next, the hourly car will leave Roscoe at 40 minutes to the hour, instead of 45 minutes to the hour as at present, reaching Charleroi, Fifth street, at seven minutes to the hour. This car will run through to Pittsburg The local car will arrive from Roscoe at Fifth street, Charleroi at 37 minutes after the hour, making connections at Black Diamond with the Pittsburg through car which will leave Donora at 36 minutes after the hour.

This schedule will be observed throughout the day and patrons should keep this new schedule in mind. Through cars to Pittsburg leave Fifth street at 7 minutes after the hour; local cars which will connect with the through cars from Donora leave Fifth street at 37 minutes after the hour.

The cars making the local run from Roscoe will go as far as the sub-station at Riverview, then return to Donora, and back to the sub-station, and then come through to Roscoe. This schedule is so arranged that the half hour service will be maintained.

By this schedule Donora finally receives something in the way of street car service it has long been asking a through car to Pittsburg. The demands of the people of that borough have been insistent and persistent, and their efforts are now about to be realized. The new arrangement will detract somewhat from the service as now given Charleroi, because of the change it will necessitate for the half hour car at Black Diamond.

FRESCOING AUDITORIUM OF METHODIST CHURCH

Workmen have been busily engaged all week in erecting scaffording in the auditorium of the M. E. church, in preparation for the work of frescoing, which is now under way. This and other improvements contemplated will add greatly to the appearance of the church

HALLOWE'EN DANCE AT COUNTRY CLUB

The hallowe'en costume dance given at the Monongahela Valley Country Club last evening was largely attended, and was probably the most successful social event given yet by the club. Between 250 and 300 guests were present, and the evening was spent in dancing. Music was furnished by Merrill's "Bellhops" orchestra from Portsmouth, Ohio, and was a feature of the evening. The rooms of the club house were handsomely decorated in hallowe'en style and they presented a most beautiful picture. Guests were present from Charleroi, Monessen, Donora, Monongahela, Belle Vernon and other towns.

LOCAL HIGH TO FACE UNIONTOWN TOMORROW

Tomorrow the Charleroi High School football team will play the strong Uniontown High School team at Uniontown, and a fast and well played game is expected when the opening whistle blows. Tomorrow's game is a very important one and the C. H. S. coaches have been drilling the local team in preparation for it. The C. H. S. boys will be in good shape for the game and Coach Stahlman expects to be able to start the game with the first team complete

Quite a few people have signified their intention of going to Uniontown to witness the game and it is hoped that there will be on hand enough Charleroi rooters to give the Uniontown peoplea fairly good idea of what Charleroi cheering sounds like. Go to this game if you possibly can. You will not regret it. The locals are going to Uniontown to win, and you want to be there to help them do it.

HALLOWE'EN PARTY HELD LAST EVENING

A Hallowe'en party was held at the home of Miss Eva Coulter. Thursday evening. A very enjoyale time was spent in dancing and taffy making, and at the conclusion of the festivities a dainty luncheon was served. The room and table were beautifully decorated in Hallowe'en colors, a witch fire being the table centerpiece. A duet by the Misses Marie Lancaster and Mildren Santon and a dance by Miss Margaret Hayes were features of the evening

The story comes from Leeds Point near Atlantic City that women are selling their votes for boxes of chocolates. The story may be more than doubtful, but fine chocolates are now very expensive and much desired.

Republican Women Organize County Branch of Motor Corps

An organization of Republican women who own automobiles is being effected in Washington county in connection with the campaign work that is being conducted. The members of the organization, of which Mrs. Edith W. Chaney of Washington is chairman, will be members of the Washington County Branch of the Pennsylvania Division of the National Republican Women's Motor Corps. The corps is to be formed of women who will volunteer the use of their cars and their personal services in the transportation of speakers, etc., prior to election, and who will give continuous service on election day in bringing Republican voters to the polls. The object is to form a permanent organization similar to the motor corps in use during the period of the war when the women so thoroughly proved their enthusiasm and ability and performed work of the highest importance

The Washington branch will be formed of women from all parts of the county, it being the will of the chairman to have at least two members in each of the voting precincts. Mrs. Chaney has already heard from many of the districts and the Republican women have responded nobly to the call, tendering the use of their cars to further the success of the Republican ticket on Tuesday next.

PROVIDE FOR ALL SCHOOL CHILDREN

The Board of Directors of the Washington township, Fayette county, school district, held a meeting in Fayette City yesterday noon, and took steps to take care of the 400 school children who formerly attended the Marion school, which was destroyed by a fire early Thursday morning.

The board decided to place the children in other schools, dividing them up among three other districts in the township, and giving each pupil a four-hour daily session until such time as a temporary school building can be provided. The members of the board also looked up the insurance of the destroyed building and contents, and it is said this amounts to a little over $13,000. Should this prove to be the case it will mean that the school district has met with quite a financial loss, which the taxpayers will have to make up in order to provide the necessary school facilities for the township

EARLY VOTING ON TUESDAY NEXT IS URGED BY OFFICIALS

Increased Registration Will Double Work of Election Boards

ADDRESS DIRECTED TO WOMEN

Women of Washington county in general and women of Charleroi in particular, as well as women in all other districts where the vote on November 2 will be unusually heavy, are urged to vote early in the day in order to facilitate the all too burdensome duties of the election officers.

Commissioners of a number of counties have issued pre-election appeals, emphasizing the wonderul effective assistance women can render at the coming general election by voting early themselves and encouraging others of their sex to do the same.

The commissioners of Fayette county in an appeal to the women of that county, say: "It is very important that women of the county do their utmost November 2, Tuesday next, to facilitate the burdensome duties of the election officers.

"That this plan be carried out effectively and in order greatly to facilitate the duties of the election officers, it is hoped that women in districts where the vote will be heavy, will avail themselves of the opportunity of voting early

"Too much stress cannot be placed on the importance of voting early November 2. Women who are thoroughly conversant with conditions about the polling places under normal conditions can appreciate the vital assistance afforded in times past by placing early ballots; it is equally true that they can now appreciate the still greater importance of early ballots under abnormal conditions, such as will be presented election officers November 2 in the case of the combined vote."

For this reason the commissioners feel incumbent to urge upon all women voters that early ballots be cast, as by so doing they will assist in relieving any congestion that might arise in the evening, and at the same time make conditions such that the election officers can better properly handle the increased work that will be their portion on that day.

Don't forget, therefore, to vote early

BOY IS ARRESTED ON CHARGE OF ROBBERY

A boy named Charles Peters, aged 15 years, son of a Slavish family living at 920 Shady avenue, was arrested by the local police on Wednesday morning for burglary. The boy is accused of robbing the store of L. S. Markowitz, at 901 Meadow avenue, some time early in the morning on October 18th. The boy is alleged to have secured $271.52 in cash, as well as a quantity of groceries. Most of the goods were recovered. The boy is still being held at the policestation and after further investigation will likely be turned over to the juvenile court.

REPUBLICANS TO HOLD MANY MEETINGS

Chairman Carothers of the Republican county committee has announced the following meetings for this evening: Donora, speakers, Col. Edward Martin of Waynesburg, Rufus S. Marriner and Mrs. Octave Jacqmain of Washington: Monongahela, speakers, Hon. H. W. Temple of Washington: Mrs Frances Fairman of Uniontown, and Richard G. Miller of Washington; McDonald, speakers, W. T. Tradeway of Pittsburg; Mrs. C. L. Crawford and J. Boyd Crumrine of Washington

The Republican county committee is arranging for a monster mass meeting to be held in the Masonic Temple, Washington, Saturday evening. The speakers will be Mrs. Myrta C Heidrick of Pittsburg, Lewis E. Graham, district attorney of Beaver county and Rev. J. T. Pender. This will be a gathering of special interest and will mark the close of a campaign in which the Republicans have been on the alert. The Temple is being tastefully decorated for the occasion and the meeting promises to be the largest and most impressive of the campaign

EPWORTH LEAGUE HOLDS HALLOWE'EN SOCIAL

The Epworth League of the Methodist Episcopal Church, held a masquerade social in the basement of the church Thursday evening. The holiday colors were carried out in orange and black, with witches, goblins, owls and black cats peering from behind doors and corn fodder, while a big moon rose over a wall covered with autumn leaves. All descriptions of costumes were there. A grand march was held and a small prize given to the best dressed couples. The evening was spent in games in which all took part. An appropriate lunch was served by the committee in charge, after which the remainded of the evening was spent in music.

FLOUT FEDERAL LAWS

An investigator appointed by the Senate committee on campaign expenditures to look into the affairs of the League to Enfore Peace, reports that he is convinced the league has violated the Federal statute, which prohibits American citizens from carrying on negotiations with foreign governments regarding international disputes without the sanction of the United States A search of the files of the League disclosed that not only had agents been sent to confer with Lloyd George, Lord Robert Cecil, and certain officials in Germany regarding the entrance of the United States and Germany into the league of nations, but that extensive correspondence had been conducted along that line.

LILLIAN'S LOYALTY

Lillian Russell has contributed $100 toward the printing and distribution of copies of the Declaration of Independence She says she was led to do so because certain Democratic women have been giving $100 each for the dissemination of the league of nations covenant. There is no surer way to gain votes in suport of the Republican ticket than to encourage comparative readings of the immortal Declaration and the notorious covenant.

TILTS THEM UP.

Since the nomination of Senator Harding and the announcement in his speech of acceptance that he believed the government should take measures to restore Liberty Bonds to par. the market prices of these securities has recovered about a third of their depreciation below par In other words, upwards of $700,000,000 has been restored to the millions of bondholders.

A JOLT FOR SMOKERS

The average smoker's comfortable sense of security, in its ignorance of what is going on, resembles that of the dwellers of Manhattan Island, who when told that prohibition was coming, confidently remarked: "They can never do it in New York" The confiding smoker may be caught napping just as the confiding drinker was. According to L. Ames Brown who writes in the October Atlantic Monthly, thirty-six States are already legislating against the use of cigarettes by persons under 18 years of age, and both the W. C. T. U and the Life Extension Institute are carrying on very active anti-tobacco campaigns These campaigns are not mere attacks on a "vile habit" which is "injurious to health," but shrewly seek to show that the use of tobacco greatly reduces personal, social and industrial efficiency asserting that the tobacco habit is not 'compatible with work" and pointing out that the cigarette smoker is ruled against by most employers."

The amount spent on tobacco in this country is estimated at about $1,200 000.000 annually. Smokers and tobacco users in one form or another are legion, and they are over-confident, unorganized doing nothing, and the issue of personal rights involved in the tobacco question is being asserted only by the recently organized Constitutional Liberty League. Even the most shrewd and untiring propaganda takes time to bear fruit, and the carelessly confident smoking millions may not be rudely awakened for some years, but something is going to happen when the ballot is in the hands of the boys and girls who are now taught in school-reader rhyme that father is "Not Fit to Kiss" because he smokes. The the smoking millions may have to step lively indeed in the effort to preserve their right to the "fragrant weed."

9,000 GIVEN HUNTERS' LICENSE IN COUNTY

That the sport of hunting is popular in this county is evidenced by the fact that so far there have been issued by the county treasurer between 8,000 and 9,000 hunting licenses. Between now and Thanksgiving that number will be considerably increased. The first allotment of licenses secured from the State was 9,500. These were distributed among the treasurer and the justices of the peace of the county. This first allotment is about gone and 500 more have been ordered. From now on the demand is expected to be greater.

The Japs are intelligent, but they have much to learn about America. The story comes that they were afraid of insulting the visiting American Congressmen by offering them a drink.

Monkey Glands Not The Only Thing

The idea that monkey glands could be successfully transferred to human beings was so startling that it seemed almost unbelieablee.

It is now further reported that Gland substances taken from healthy young sheep and cattle prepared in tablet form, are being administered in rundown, anaemic conditions requiring building up and where there is evidence of glandular deficiency.

It is claimed in support of this theory that our tiny glands govern the activity and health of the billions of life cells in our bodies. When we are weak, run-down or anaemic, it is claimed that our glands are "run down" and cannot supply the help that is needed. So what could be more natural than to supply this lack with gland extracts of healthy animals?

The Glandex Company, Inc., 244 W. 29th St., N. Y., supply in the form of a tablet under the name of Glandex Compound a combination of gland substances with Iron and other tonic agents.

During the past few months this product has come into quite general use in those sections of the country where its merits as a general tonic have been given publicity. In fact, druggists report they have never seen a tonic adopted by so many run-down men and women in search of increased health hand strength.

So confident are the manufacturers of the merit of Glandex Compound that the druggists ahe authosized to refund the full purchase price should anyone fail to feel satisfactory benefited aftes two weeks.

Note: $1,000 will be paid by the Glandex Company, Inc., to anyone proving that Glandex Compound does not contain genuine desiccated gland substance (popularly known as Gland Extracts) from sheep and cattle. For sale by Pipers Pharmacy and good druggists everywhere

PACKERS WIN THREE FROM THE TRIMMERS

Those stockyard boys blew in to the Elks' bowling alleys last night and proceeded to show Capt Vernon's "Devil Dogs" how to "shoot ducks." Williams for the Packers ought to make a great hunter, for the way he picked them off last night was a caution; in fact the entire team of the winners was out for a good time at the expense of the "Dogs," and the score shows that they had it. The first game was won by five pins, the second by 17 and the third by 16. Fred Pieper and Brady were the best shots for the "Devil Dogs."

Tonight being the date of the big Bingville dance the game will be called promptly at 7:30 o'clock. The opposing teams will be Capt. "Robert Perkins" Hess' "Hoop Poles" from Pumpkin Center and Capt. Roy "Isaac" Carson "Trimmers" of "Bingville." So the gallery will have an idea of what is in store for them. Scoree:
